Student's Growth Report

Course A

Completion Rates: S2 Overview

Completion Rates: By Coaching Plan

Completion Rates: Weekly Trends

Completion Rates: Quiz/Assignments

Course A - Session 1 versus Session 2

Completion Rates: S1 vs S2 Overview

Completion Rates: Weekly Trends

Completion Rates: By Coaching Plan

Completion Rates: Quiz/Assignments

Courses Deployed

Insights

- **Course A:** Students performed better than S2. Learning Reminders and Starboard helped in improving the completion rates. Meeting with some students also helped.
- **Assignments and Quizzes:** Students performed better with assignments in S1 compared to S2. Half of the Students participated in the Quiz deployed in S2.

Key Wins

- Integration of Leaderboard and more engaging questions in quizzes
- High completion rates (2/3 of the class had more than 89%)
- Prompt release of subtracks to the students weekly.
- Team Upskilling (Increased productivity and fun activities in the team)

Suggestions & Recommendations

W

- **Course A:** Sending weekly reminders to students so they can remember to engage with the courses
- **Assignments and Quizzes:** Provide more relevant case studies for students to interact with during the course session
- **Additional Courses:** Most students are not interacting with the modules; reminders and fun activities could help students engage with this course
